

Delcastle Guest Guide

Welcome to Delcastle! We've prepared some helpful guidelines to follow to ensure that you and all of our guests have a fun & enjoyable experience. Please feel free to ask any team member if we can help further.

- All players must check in at the Pro Shop before accessing the golf course.
- Golfers must have appropriate golf shirt for men/women and no denim on course during the peak golf season (Mar-Nov).
- Personal coolers are not permitted other than approved medical coolers.
- No outside alcohol allowed on property.
- Golfers must have their own set of clubs or a set can be rented in the Pro Shop.
- Groupings of less than 4 will be paired up whenever possible.
- Golfers must have a valid driver's license to operate a golf cart.
- Carts must remain on paths around all tee boxes and greens.
- Handicap flags are available but documentation must be showed at the time of request.
- Handicap flags provide exemption to leave the cart path area but carts must stay at least 30 feet away from greens & collared approached.
- The course reserves the right to not issue handicap flags based on course conditions from inclement weather.
- Rain check policy - will only be issued when rain causes termination of play. A credit will be issued in a dollar amount value towards your next round of golf.
- Pace of Play - Recommended pace for a foursome is no more than 4.5 hours for 18 holes. Always keep up with the group ahead of you when able. The Ranger may ask you to skip a hole if needed as to not disrupt the pace of groups behind you.
